Member American Association of Nurserymen

NOTE.—All stock herein offered, both nursery-grown and collected, is good quality. We have no connection whatever with any other nursery. We employ no agents, our entire business being transacted from our office at above address. Quality, Quantity, Unequaled Service, and Low Prices.

Our Packing House

## NOTE TO CUSTOMERS

Usually we commence filling fall orders about September 1, our season extending to about December 1. Spring shipments usually begin about March 1, continuing until late in May. **Be sure to give full shipping instructions.**

5 at 10 rate, 25 at 100 rate, 250 at 1,000 rate

### MY NEW LOCATION

In the Blue Ridge Mountains, "the most beautiful mountain region of the continent," in western North Carolina, nearly 4,000 feet above sea-level. My new business headquarters is Ashford, McDowell County, North Carolina, on the famous scenic Clinchfield Railroad.

### PACKING AND GRADING

Will be done in the most careful way. Boxing and burlapping, where not included, is charged at cost. **Certificate of Inspection attached to all shipments.**

### QUOTATIONS

This list cancels all previous offers. Do not order from old catalogues.

### REMITTANCE OR REFERENCE

Should accompany orders from unknown correspondents. Discount of 5 per cent and free packing on cash orders. All bills due and payable 30 days from date of invoice, unless otherwise arranged, and interest will be charged at rate of 6 per cent.

### SHIPPING INSTRUCTIONS

Should always be given fully, unless you prefer to leave to our best judgment. In this we assume no risk, our responsibility ceasing upon receipt of signed bill of lading by forwarders. **All claims for damages in transit must be handled by consignee.**

### CLAIMS

All claims for errors must be reported upon receipt of goods and will be rectified promptly. Unless this is done, we can accept no responsibility of any kind. In no case shall we be held for damage exceeding original purchase price paid for same.

*We do not guarantee that stock will grow, whether planted by us or not, as we have no control over after-treatment or weather conditions. The purchaser must assume all risks after stock leaves our Nursery in good condition.*

### ALL ORDERS

Are accepted and filled on these terms. Unequaled Quality, Quantity, Service, and Low Price awaiting first come, first served.

*All offers of stock are made subject to conditions beyond my control*

**MY SUPPLY AND FACILITIES ARE UNEQUALED.** Grading and packing always held to the highest standard in quality, with more than thirty-six years' constant experience growing and handling hardy native ornamentals.

Entrust your orders for plants of the Southland to our experience and unequaled Collecting Fields and permanent organization. Beware of amateurs or so-called nurserymen, without experience, yet who claim to know varieties and qualities.

Azalea calendulacea. See page 4

**KALMIA latifolia.** Mountain Laurel. One of our most valuable broad-leaved evergreens on account of its showy green leaves and masses of pink or rosy flowers early in the season. It yields itself readily to varied conditions in cultivation and is naturally distributed over a very large area of the Eastern States. We have on hand, ready for shipment, more than 35,000 nursery-grown plants in all sizes from 3 inches to 4 feet in height, and our facilities for furnishing good-quality,
